

The High Fives Foundation supports the dreams of outdoor sports athletes by raising injury prevention awareness while providing resources and inspiration to those who suffer life-altering injuries

Empowerment Fund - Grant Guidelines

Terms of Eligibility

Empowerment Grants are primarily need-based, awarded in fulfillment of the High Fives Foundation's mission and vision. All are welcome to apply, provided the applicant meets the criteria below.

For information on the types of grants awarded, please refer to the *Funding Categories (see Appendix A)* defining document.

General Requirements

- Applicant must reside in the United States or Canada, and they must complete grant in the United States or Canada. The accident/injury does **not** need to have occurred in the United States or Canada.
- Effective January 1, 2014 to stay in compliance with the U.S. Government's Affordable Health Care Act, applicants **must** have current and up to date health care coverage.

Evaluation and Selection

Any applicant who has suffered an SCI, TBI or life-altering injury while pursuing a dream in the outdoor sports community can be funded for a goal that pertains to their recovery.

The High Fives Non-Profit Foundation defines outdoor sports as: Skiing, snowboarding, snowmobiling, ski BASE, ski mountaineering, ice climbing, nordic skiing, kayaking, mountain biking, rock climbing, winged sports, hiking/trekking, trail running, etc. Mainstream, team sports such as football, baseball, soccer, volleyball, basketball etc. are not to be considered action sports. (Certain exceptions to the definition of "outdoor sports" can be made by only the Executive Director of the High Fives Foundation)

- *Team sports such as; Football, baseball, soccer, volleyball, basketball etc. are not to be considered outdoor sports.*
- *Motor-fed summer sports such as; Motocross, ATV, side-by-side, etc. are not to be considered outdoor sports.*

If the respective applicant suffers a SCI outside of the outdoor sports community, funding can be granted towards the goal of pursuing a dream within the aforementioned, outdoor adaptive sports community.

- *Due to the nature of the mission statement, those that are born with a degenerative disease are precluded from applying.*

Applicant must possess a passion to return to outdoor adaptive sports, **or** possess a desire to pursue an outdoor adaptive sports dream after suffering a (mobility limiting) spinal cord injury or a life-altering injury resulting from an accident (automobile, etc.).

To be considered, the applicant must provide

- A detailed description of the extent of their respective injury or injuries including the date and how it occurred,
- Their goal or goal(s) for recovery from injury, identifying the specific manner in which the High Fives Foundation can help to achieve a goal or goal(s), and also describe how he or she will follow through with said plan.
- A budget that outlines all costs in detail. The foundation can assist with outlining a budget that involves any requests found within the *Funding Categories (see Appendix A)* document.

Submission Period

If an applicant has sustained a life-altering injury within the last 25 years while pursuing a dream within the outdoor sports community, that applicant is welcome to apply at any time. (*see funding cycles below*)

Athletes who have previously suffered a SCI outside of the outdoor sports community are permitted to seek funding to pursue a dream within the outdoor sports community, but must apply between June 1st and September 1st. These candidates must also meet the general requirements.

Athletes who have applied and received a denial from the High Fives Foundation will have to wait one calendar year before reapplying. If the denial was due to circumstances that go against the organization's General Requirements, athletes are not encouraged to reapply, but the Board of Directors Grant Selection Committee will review the application.

Applicants are excluded from applying if they:

- a. Have submitted an application for review the previous cycle
- b. Received funding more than two cycles in one calendar year
- c. Have previously been denied funding three times

Scholarships are primarily need-based, in fulfillment of the High Fives Foundation mission, and documentation of need must support the scholarship application. The maximum amount awarded for one disbursement (or in a fiscal year for an individual) shall not exceed \$25,000.

The High Fives Foundation offers four (quarterly) grant-funding periods:
